## COUNCIL COMMUNICATION

AGENDA TITLE: Award Contract to Provide Instrumentation Maintenance Services for White Slough Water Pollution Control Facility (\$7,280)

MEETING DATE: June 21, 2000

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Alpine Controls, Inc., of Concord, in the amount of \$7,280.

BACKGROUND INFORMATION: This contract consists of providing instrumentation maintenance services to enhance the quality of maintenance to the instrumentation at White Slough. The instrumentation is currently maintained on an as-needed basis by City staff and outside contractors. Contracting this maintenance will free up electrical staff time, which can be used to address a backlog of electrical maintenance elsewhere in the Public Works Department. The term of the contract shall be for one year with two, 1-year options at the City's discretion. The City may also expand the scope of the contract to include other areas of the City's infrastructure if an agreement can be reached with the Contractor.

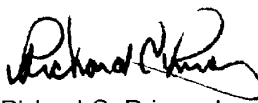

A Request for Proposals for this project was approved on April 19, 2000. The City received the following two bids for this project.

<u>Bidder</u>	<u>Location</u>	<u>Bid</u>
Project Estimate		\$ 9,500
